Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Friday 08 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Often rather cloudy but feeling warm.

Today:
Early cloud and fog patches will steadily lift and break to leave a dry day with some sunny spells by the afternoon. Warm again, with light winds. Maximum temperature 20 deg C (68 deg F).

Tonight:
Variable amounts of cloud with some clear spells developing. Cloud tending to increase during the second half of the night. Some local mist and fog patches forming in the south. Minimum temperature 12 deg C (54 deg F).

Saturday:
Generally cloudy but remaining mostly dry during Saturday, cloud thickening up from the north with patchy light rain sinking south overnight. Maximum temperature 18 deg C (64 deg F).

Outlook for Sunday to Tuesday:
Patchy rain clearing southeastwards early on Sunday, with brighter skies following. Thicker cloud and patchy rain returning on Monday. Mostly dry and fine for Tuesday with variable amounts of cloud.
